

**Sarah G** aka - Snow White - grew up on a farm in the middle of a 15,000-tree apple orchard. My childhood taught me a high work ethic, integrity, and Midwestern kindness. My family had Siamese cats, golden retrievers, corgis, shelties, rabbits, goats, bottle caves, and quarter horses. I look forward to meeting you and setting you up with a house sit that helps you enjoy your vacation away.

**Sarah C** - My background is in social work and massage therapy - I enjoy helping people - and what drew me to home/pet sitting is that I love animals and giving people peace of mind while they are away. As a massage therapist, you could say that I'm a professional at petting! I have a very calm and grounded demeanor that allows your fur babies to feel comfortable with me from the get go. I can't wait to treat your dogs and cats just like they were my own!

**Ellen** - I'm a graduate of Air Academy. Currently, I am a sophomore at CSU in Fort Collins. I've grown up with dogs, cats, chickens, and horses and have cared for them most of my life. Our pets have always been treated and seen as members of my family. I look forward to spending the summer using my pet knowledge to watch your family members, ensuring you have a restful and worry-free time away.

**Kelsi**: Kisses, cuddles, and toe beans, oh my! As an editor for a Travel Blog, I often travel for work, and finding top-notch care for my Labradoodles when I'm away is the most important part of preparing to leave. I want to extend the same peace of mind to you when you leave town. I am an animal lover to the core. I grew up in southwest Missouri around a plethora of cuddly critters. From horses and chickens to house cats and dogs. I love them all, and I will love your fur baby like my own. In colorful COS, I look forward to spoiling your pet and caring for your home with integrity and respect so you can confidently check "pet and home care" from your travel to-do list.

**Chris**, I'm from the Midwest & grew up in the Ozarks. I moved to Colorado Springs to enjoy this beautiful city at the foot of the Rockies. Professionally, I have worked in accounting & HR for 18+ years. I grew up around many different dogs & cats, but I also enjoy all different types of animals.
